

Biederman Plastic Grease Cartridges: Keep your grease protected and free from contaminants

**#1 MANUFACTURER IN NORTH AMERICA
FOR OVER 25 YEARS**

Experience the value of enhancing your brand by switching to the Biederman plastic grease cartridge.

Why Biederman Plastic Grease Cartridges?

- Durable High Density Polyethylene (HDPE) body material
- Easy-to-open, durable aluminum EZO end - industry standard for many reasons
- Cartridge produced by extrusion - meaning no seams and no leaks
- Offset printed - 6 colours, including silver and gold for a metallic finish
- Varnish overlay option to make your design shine
- White cartridge body showcases your vibrant brand design
- Coloured-body cartridges available - including silver, yellow, orange etc (full body black printing available)
- Direct printing on the cartridge means easy design changes, no label inventories and key information doesn't get torn or wear away
- Durable - improved shelf presence - holds up in all environments (doesn't crack in the cold or get mushy when wet)
- No flaking off the top of cartridge means no contamination of grease

Vivid 6 colour printing lets your brand stand out.
